

User can navigate to different months using the arrows.

View Options

• Day • month
• week • year

< MONTH >

Sun	Mon	Tues	Wed	Thurs	Fri.	Sat
1 +	2 +	3 +	4 Some water event +	5 Some Soil Event +	6 +	7 +
8 +	9 +	10 Some Harvest Event +	11 +	12 +	13 +	14 +
15 +	16 +	17 +	18 +	19 +	20 +	21 +
22 +	23 +	24 +	25 +	26 +	27 +	28 +
29 +	30 +	31 +				

Users can choose to view calendar by day, week, month or year.

The bottom right corner of each calendar day will have a plus sign which allows for adding a new event to that day.

Each event will be listed in the calendar on the day it is due to occur. Each event will be a hyperlink that leads to the event details.

There should be festive design to match the season
