- As an artist I want to view the art I have in the gallery so that I can keep track of which pieces have been sold, which have been removed by the gallery, and which are still for sale so that I can track my art. Start
- As an administrator, I would like to be able to add art that is on display in the gallery so that I know what inventory the gallery has. Start

Icebox

- As an administrator, I need to be able to approve artists' time worked so that they are credited properly. Start
- As an artist, I want to log hours I've worked at the studio and the rate at which my work should be credited (e.g., 1 hour worked = 1 hour credit, 1 hour worked = 2 hours credit, etc.) so that I can earn studio time. Start
