## PROJECT EXPERIENCE

### Student Attendance System Web App-

User-friendly, dynamic web-app to keep track of student attendance, including editing student information. This is a single page ReactJS application.

- Technology used: Java, Spring MVC, React JS, JavaScript, Hibernate, Gradel, HTML, CSS, BootStrap and MySQL.
- REST API in SpringBoot that has CRUD operations for data-models in this web-app..
- Tested API using ARC (Advanced REST client).
- Project link: <https://github.com/shreyak22/student-attendance>

## KEY ACCOMPLISHMENTS

- Quickly learned object-oriented programming; developed, tested and debugged code; designed user-interfaces.
- Quickly learned new technologies.
- Successfully worked in both team and self-directed settings.
- Developed and Managed Web Applications using the Spring Boot Framework.
- Worked on Back-end Java and learned object-oriented concepts in Java.
- Worked on front-end web development, covering HTML, CSS and Thymeleaf.
- The technology stack used to build Single Page Web App and Mobile App using Java RESTful JSON services and MySQL back-end databases.
- Worked on Git and GitHub.
- Wide knowledge in Database Management: SQL.
- Familiar with JavaScript, CSS, HTML, XML
- Worked using Web Servers: Tomcat
- Knowledge of unit testing.
- Worked on REST Frameworks over

## WORK EXPERIENCE

### 1) Digital Marketing freelancer

December 2016 - January 2019

- Developed new and innovative campaigns that helped startups, ecommerce and brands to grow their online business quickly.
- Developed relevant content topics to reach the company's target customers.
- Learned new ways to grow business online.
- Created, curated and managed different marketing campaigns.
- Monitored, listened and responded to users in a "Social" way while cultivating

## SKILLS

### PROGRAMMING LANGUAGES

- Java
- Python
- JavaScript
- HTML5/CSS3

### FRAMEWORKS /Software used:

- Git
- React JS
- Spring MVC
- Thymeleaf
- Hibernate
- Gradle
- JUnit

## Personality Traits

- Innovative
- Curious.
- Passionate about work.
- Ability to produce the best result in pressure situation.
- Honest & sincere .
- Flexible, Focused, Friendly.

leads and sales.

- Develop and expand community and influenced outreach efforts.
